## NORTHERN VALLEY MODEL UNITED NATIONS 2024 - OPENING CEREMONY

### Brimming with Excitement the participating delegates embarked on an incredible journey for three days during the Northern Valley Model United Nations!

On behalf of IDPS fraternity, we extended a warm welcome to our revered Chief Guest of the day **Prof. Vishav Raksha - HOD, Sociology and Director Centre for Women's studies, University of Jammu**. We are grateful to the Management and the Principal for providing this platform to the young delegates for their voices and opinions to be heard and making this event possible. The opening ceremony had 176 delegates from the schools across J&K. Ice breaking session was conducted on day one for various committees and the delegates were given an opportunity to step into the shoes of diplomats, researchers, and negotiators. This Model UN is not just about competition; it's about cultivating the next generation of global citizens. It's about fostering empathy, understanding, and a shared responsibility for a better future. The **IDPS MUN** conference was a resounding success, achieving its objectives of educating students on global issues, honing their diplomatic skills, and fostering international understanding. The event highlighted the potential of young minds in contributing to discussions on world affairs and inspired participants to pursue further involvement in such platforms.

## “EMPOWERING TOMORROW’S LEADERS - ONE RESOLUTION AT A TIME”

Model United Nations, also known as Model UN or MUN, is an educational model of the United Nations used for simulations in which students learn about diplomacy and international relations. At an MUN conference, each student works as the representative of a country, organization, or person, and must solve a problem with other delegates from around the world.

Students of IDPS participated in the prestigious Model United Nations (MUN) conference held at IDPS. The conference offered a platform for young minds to engage in diplomatic discourse and address real - world global issues.

The students exhibited tremendous enthusiasm and determination throughout the conference, showcasing exceptional confidence. Their impressive grasp of intricate global affairs was commendable, reflecting their dedication and preparation. During the committee sessions, the students demonstrated exemplary public speaking and negotiation skills, contributing thoughtfully to various discussions.

# A proud moment for IDPS

SADIA QURESHI

ASMA BASHIR

AQIF KHAN

*Our students outshined and qualified NEET - UG 2024  
We appreciate the hardwork of the students and their commendable achievement.*

## Congratulations

For Qualifying NEET -UG 2024

### WE ARE CHAMPIONS

International Delhi Public School Jammu clinched victory and the Championship Trophy in the District JK Tennis Ball Cricket Championship Under -14 held at MA Stadium today.

*Congratulations to our talented team of students.*

Kudos to the faculty of Cricket - Mr. Jafar Khan for this commendable achievement and we appreciate his hardwork, commitment and dedication.

# INVESTITURE CEREMONY - 2024

## WELCOME OF THE GUESTS

*"Before you are a leader, success is all about growing yourself. When you become a leader, success is all about growing others."*

Investiture ceremony - An important occasion for IDPS to entrust its upcoming leaders with the roles and responsibilities. It was a momentous occasion for the entire IDPS Fraternity as we extended a warm welcome to the Chief Guest of the Ceremony - Sh. Amit Sharma (IAS) - Rural Development, IT, Transport, S&T, DMRRR, Managing Director SIDCO. The Management - Ms. Manisha Choudhary, Ms. Arunima Choudhary, Dr. Suminder Singh, Mr. Swarn Choudhary and the Principal - Ms. Randeep Wazir gave their illustrious presence for the Ceremony to bless the newly elected Student Cabinet along with the Parents, students and the staff members of IDPS.

### The BADGE CEREMONY & TORCH LIGHTING

In the grand halls of tradition and prestige, there exists a ritual that embodies the essence of honor, duty and responsibility. It is the investiture ceremony a timeless tradition where IDPIANs are bestowed with the highest of honors, marking a pivotal moment in their lives. In the inspiring investiture ceremony of IDPS, the responsibilities were handed over to all the newly elected cabinet members ( JUNIOR & SENIOR).

# Inter-House Competition

An Inter-House Competition for classes (IX-XII) was organized on May 10, 2024 in IDPS on the topic 'MAN vs TECHNOLOGY'.

The competition aimed at honing creativity and innovation of the young modernities. The PPT Presentation Competition created a positive environment amongst the students wherein they were high on spirits and enthusiasm, that urged them to showcase their creativity to their optimum level. Students from all houses, namely-Knights, Samurai, Spartans and Trojans, participated in the competition. The Competition provided a platform for students to showcase their talents, creativity, and teamwork. The event not only enhanced their presentation skills but also fostered a sense of camaraderie and healthy competition among the houses.

The event was a resounding success, leaving a lasting impact on both participants and spectators alike.

## Workshop on Plasma

A one-day workshop on Plasma: The Fourth State of Matter was organized at IIT Jammu for both medical and non-medical students. This workshop aimed to provide an in-depth understanding of plasma, its significance in the universe, and its potential applications. Through a combination of lectures, demonstrations, and hands-on activities, students explored the properties of plasma, its role in the cosmos, and its potential for energy generation through nuclear fusion.

# Katrina Kaif

**01. Arundhati Roy Awarded 2024 PEN Pinter Prize Amid UAPA Controversy**

Arundhati Roy, a Booker Prize winner, has been awarded the prestigious PEN Pinter Prize for her courageous and unwavering literary contributions. Roy is set to accept the award and deliver a speech at a ceremony co-hosted by the British Library on October 10. SpaceX achieved a successful launch of the fourth and final satellite for the National Oceanic and Atmospheric Administration (NOAA) program. According to NASA's statement, the GOES-R (Geostationary Operational Environmental Satellite) constellation represents a state-of-the-art system designed to deliver continuous monitoring of weather and potentially dangerous environmental conditions across large parts of the Western Hemisphere. NASA, SpaceX, and Elon Musk marked the achievement by sharing images and videos on the social media platform X (formerly Twitter). "New weather satellite delivered!" Musk, founder of SpaceX, announced.

**02. DRDO's 'ABHYAS' Completes Six Successful Trials.** ABHYAS is a High-Speed Expendable Aerial Target (HEAT) that was made by the Aeronautical Development Establishment (ADE) in Bengaluru, India, for the [Defense Research and Development Organization \(DRDO\)](#). Its main job is to make fake enemy planes so that defense systems can practice. DRDO recently tested ABHYAS six times at the Integrated Test Range in Chandipur, Odisha, and all of them went well. These tests looked at a better booster setup that made the system work better and be more reliable.

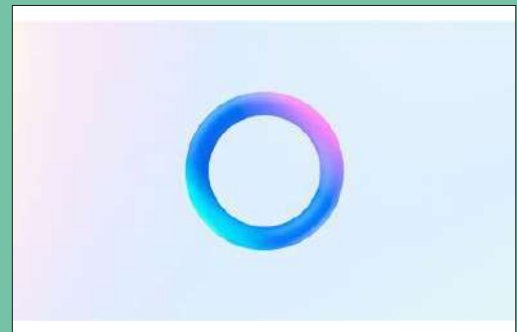

**03. RBI Revises SAARC Currency Swap Framework for 2024-2027.** A new system for currency swaps between [SAARC](#) countries has been set up, covering the years 2024-2027. This is a big update from the Reserve Bank of India (RBI). This project is meant to help the member countries of the South Asian Association for Regional Cooperation (SAARC) stay financially stable. The Reserve Bank of India's decision is part of ongoing attempts to improve financial cooperation in the SAARC region. Exchange rates and currency swaps are financial tools that help countries handle foreign exchange and liquidity problems well, keeping the world's economies stable.

**04. Pench Tiger Reserve Launches First AI Fire Detection System.** The Pench Tiger Reserve in Maharashtra has recently added a new [Artificial Intelligence \(AI\)](#) system that is meant to find forest fires early. On June 26, 2024, this important technological development was made public. A cutting-edge PTZ (pan-tilt-zoom) camera is placed on a tower on one of the reserve's highest hills, about 540 meters above sea level, close to the village of Kiringisarra. This is how the new system works. With a field of view of 15 kilometers, this camera can successfully watch over more than 350 square kilometers of forest. The system also has a control room in the West Pench range office in Kolutmara and uses information from fifteen commercial satellite services.

**05. Meta AI is now in India on WhatsApp, Facebook, Instagram.** Meta recently made its Llama 3-powered [AI](#) chatbot, Meta AI, available to all users in India. The robot can be found on the Meta.AI website as well as in apps like [WhatsApp](#), Instagram, Messenger, and Facebook. This came after the general elections. Before, the chatbot was only available to a small group of people in a few countries. Other top chatbots in the industry, such as [ChatGPT](#), Google's Gemini, and Anthropic's Claude, have features that Meta AI does as well. It lets people do many things, like writing summaries, planning workouts, coming up with cooking ideas, and writing emails. On Instagram, it can suggest related Reels, and on Facebook, it bases interactions on what's in your feed.

**06. Kerala Assembly Seeks Renaming State to 'Keralam'.** On June 24, the Kerala Assembly passed a resolution asking the Indian Central Government to change the name of the state in the Constitution from "Kerala" to "Keralam." This was the second time in a year that the resolution was passed unanimously. This plan, which is being led by Chief Minister Pinarayi Vijayan, focuses on making the constitutional name match the word "Keralam" in Malayalam. There are differences between the Malayalam name "Keralam" and the English name "Kerala" used in the Constitution's first Schedule, which was brought up by Chief Minister Pinarayi Vijayan in the Kerala Assembly.

**07. India Ranks 3rd-Largest Domestic Aviation Market.** The Indian aviation market has grown to become the third biggest in the world. It has moved up from fifth place a decade ago to this important accomplishment. Low-cost airlines (LCCs), which now have 78.4% of the market, have become very important. IndiGo is a big name in this field, and in the last ten years, it has grown its market share by half, to 62%, with an impressive yearly capacity growth rate of 13.9%. The rapid rise of low-cost carriers (LCCs) has made flying easier for more Indians, which has helped the economy grow.

*Congratulations!*

IDPS congratulates the parents and students for this huge achievement which is a testament to hard work, dedication, and perseverance. We are beyond proud of you! This success is not just a reflection of individual efforts, but also a tribute to the support of family, friends and the school community. We are honored to have played a part in your educational journey. As you celebrate this milestone, remember that this is just the beginning of your journey to greatness. May your accomplishments inspire you to continue striving for excellence in all that you do.
